25X1X6 A. Italian

1. Alberto Marchetti di Muriaglio, Italian Ambassador to Turkey, has been recalled and Alberto Calisse, the Italian Consul General in Istanbul, has been appointed Minister to Kabul.
2. In Italian circles in Istanbul, Marchetti is being criticized for having visited the Queen Mother of Bulgaria on board the ship which carried the Bulgarian exiles to Alexandria. The Ambassador called on her on his own initiative and without previous instructions from Rome. The Ministry of Foreign Affairs in Rome is also believed to have disapproved of his action.
3. As far as Calisse is concerned, it is known that he has been anxious for a long time to give up the consular career and enter the diplomatic service. His assignment to Kabul is attributed to Pietro Nenni's close friendship with Calisse's late father.

Comments:

- * It was reported earlier that Marchetti's recall was the result of a scandal which involved both him and his wife.
- ** Pietro Nenni is Socialist Minister of Foreign Affairs.

B. Egyptian

4. The Egyptian Minister to Turkey, Amin Fu'ad Monasterli, has been notified that his nomination as Ambassador to Rome has been postponed for an indefinite period, the Egyptian Government having decided that a diplomatic mission similar to the Italian Mission in Cairo would be preferable for the time being.
